Fall Series 9&10

Seven boats raced this past week: Richard Stephen's Corsair 28 Trevelyan, Clare Fewtrell's J-24 Mehitabel, Eberhard Alsen's Tanzer 25 Fantasy, David Feaveyear's J-24 Snitch and Tim Bonniwell's J-70 Ayla's Ride, Bill Russell's Catalina 32 Little Wing and John Ford's Catalina 27 Shawandasee. Ricky set the courses this week after Charles fell and broke his foot, but he's doing well and has moved onto a knee crutch!

The first course was Far Maplewood, Sycamore, finish with some shifty north winds averaging ~10 kts. The second race was Far Maplewood, West Shore, Far Maplewood, finish with about the same wind. Mehitabel got to experience losing the spinnaker halyard again, but this time from the other end (at least it's not stuck in the mast).

White Sails Race AKA Frostbite Regatta

SI attached in the e-mail, the Frostbite Regatta is open to any and all boats, please download race Q's before the race.

There will be a BBQ at the club after, with the fleet providing grillables and some beverages, please bring a dish to pass!

Awards Ceremony

From the Fleet Captain's desk...

I have [a poll for you!](#) When do you want to have the awards banquet?

Since I'm incapacitated now and IYC is making things easy for us I'm leaning towards having Luna cater for us on Friday October 27. The food is good and not expensive. If we end up going that route the Fleet will help pay for things (drinks? Or just subsidizing all around?) but there will still probably be some contribution expected from participants.

If we don't do IYC/Luna I am perfectly happy to have one of you arrange the whole thing :)

If you sail but haven't sailed with us this year you should come eat with us! I mean, hey, we're good people! And we like sailing! There will be food, drink and stuff!
